| **Node JS Development** | 07/2023 |

## ACHIEVEMENTS

I am proud to have consistently demonstrated academic excellence as in my recent achievements, earning a place on the Dean's Honor List at my university not once, but twice. In the most recent semester, I have achieved the remarkable feat of securing the 3rd position in batch, eagerly awaiting the accompanying medal that symbolizes this accomplishment. These accolades underscore my commitment to maintaining high standards of academic achievement and reflect my dedication to scholarly pursuits. I look forward to leveraging this academic success as a foundation for continued excellence in both my studies and future endeavors.
